---

***International Trade is very Interesting and Complicated... but if you Tell Us What You Want we will help to make it logical and simple.***

## US Customs Clearance Services for import shipments:

Our knowledgeable customs broker is happy to assist with the customs clearance process, helping to ensure that your merchandise clears customs quickly and efficiently. With Us you can get most shipments cleared days prior to their arrival to the US Ports.

- **Product Classification & Valuation**
  - Help with understanding Free Trade Agreements.
  - Country of Origin and Marking
  - Quotas and Import Restrictions
    - *(Textile, Apparel, USDA products, steel and iron, butter, cocoa, milk and cheese)*
  
- **Importer Security Filing (ISF, 10+2 Filing)**
  - ISF is required for goods on ocean vessel and must be filed 24 hours before goods are loaded onto foreign vessel. Late ISF Filings past 24 hours must still be filed with CBP.
  - Late ISF Filings are subject to \$5,000 CBP penalty.
  
- **Import Customs Clearance Entries with US Customs and all Participated Government Agencies**
- **FDA prior notices.**
- **Payment of duties, Taxes or other changes**
- **Drawback or refund of duties**
- **In-transit bond entries**
  - (IT) Immediate Transportation, (IE) Immediate Exportation, (T&E) Transportation & Exportation , (FTZ) Free Trade Zone – Transfer Goods to and from FTZ
  
- **Customs Bonds**
  - There are two types of bonds: continuous and single-entry. All importers must have Bond even if your cargo is Duty and Tax Free

## Export Compliance for USA Exporters:

Electronic Export Information (EEI) needs to be filed when the value of the commodity classified under each individual Schedule B number is over \$2,500 or if a validated export license is required to export. The exporter is responsible for preparing the EEI and the carrier or customs broker files it with U.S. Customs and Border Protection (CBP) through the AES or AES Direct.
